Everyday 2026

## Welcome to the Everyday 2026 Party Catalogue!

On the following pages, you'll find exquisite partyware, decorations and tableware, perfectly suited to every occasion. This year's collection bursts with colour and joy, from a charming new kitten range to a vibrant jungle-inspired line.

We are particularly excited to present two new collaborations with Liberty: a bright high-summer floral melamine tableware collection and a pastel-print range featuring beautifully boxed notebooks, ideal gifts for any celebration.

All designed to make summer gatherings unforgettable!

### We Care

We are committed to doing our best for the environment. Wherever possible, we use paper and wood-based materials from responsibly managed forests. Our commercially compostable range is dyed with water-based ink and certified by the Biodegradable Product Institute. Plus, we require third-party social audits from all our supply partners to ensure they act ethically and responsibly.

We continually evaluate our products, focusing on more durable materials. Our reusable tableware collection has grown over the past few seasons with durable pieces made to be packed away and used again. Fabric decor and paper garlands are also designed for reuse, easily returning to their boxes for future celebrations.

Our knitted toys and baby accessories are made from organic cotton – keepsakes that can be passed down. Our product team is always researching new materials and technologies. We also strive to reduce packaging sizes to align with our ethos of creating high-quality products that live on beyond the party.
