Everyday 2024

Meri Meri

Discover our 2024 Everyday Party, Home & Play collection, bursting with colour and joy – it's big on feelgood-factor! Highlights include a charming circus collection, pony-themed range, and vintage aeroplanes to inspire young aviators. Classics – like our Beautiful Basics tableware in 10 vibrant shades – seamlessly complement other collections.

Our exclusive new collaboration with block printer and textile designer Molly Mahon, includes several striking prints; party plates and cups in recycled plastic and a beautiful new paper lantern collection that you'll want to keep up all year round. In short, the perfect blend of inspirational and classic pieces.

We Care

We are committed to doing our best when it comes to the environment. We use FSC® certified papers and wood wherever we can, and our commercially compostable range is dyed with water-based ink and certified by the Biodegradable Product Institute.

We are constantly evaluating our products and turning our attention to more durable materials – we've recently introduced a new range of reusable tableware containing at least 82% recycled plastic. Our fabric décor and wooden and paper garlands are designed to be put back in the box and used again and again.

Our knitted toys and baby accessories are made using organic cotton. Keepsakes that can be handed down. Our product team is constantly researching new materials and technology as they become available. We are always looking for ways to reduce packaging sizes to support our ethos of high-quality products that live on beyond the party.
