Pastel Bow Cake Toppers 273506 PC16

Meri Meri

Get set for a truly uplifting season. Sugary pastels that make the party table pop! Bunnies galore for Easter! Vintage-inspired Valentine’s tableware! There’s a delicate new rose print for our collaboration with Ladurée, which blends seamlessly with the rest of the collection. Bows elegantly work their way into everything from garlands to cups. Plus, our candle offering has grown with more styles and exquisite attention to detail – think coloured wicks and delicate hand-painted embossing. Simply sparkling!

We Care!

We’re committed to doing our best when it comes to the environment. We use FSC® certified papers and wood wherever we can and our commercially compostable range is dyed with water-based ink and certified by the Biodegradable Products Institute.

We are constantly evaluating our products and turning our attention to more durable materials; our reusable bamboo fibre mix partyware, fabric décor and wooden and paper garlands are designed to be used again and again.

Our knitted toys and baby accessories are made using organic cotton and our product team is frequently researching new materials and technology as they become available. We are always looking for ways to reduce packaging sizes to support our ethos of high-quality products that live on beyond the party.

Some colours displayed may vary for the finished product due to production processes.
